

PEACE IS THE FUTURE

" Yogyakarta Our Home "

To continue the spirit of Assisi , organized by John Paul II in the town of Assisi , Italy in 1986 , then this year's Community Prayer Sant'Egidio held in the City of Peace and Dialogue Antwerp , Belgium , September 7 to 9 , 2014. The meeting is also intended for the international commemorate a century of human tragedy , world War I.

The spirit of Assisi is also likely to encourage the Community of Sant'Egidio in the city of Yogyakarta to hold Prayer and Peace Dialogue at Atma Jaya Catholic University on November 5 , 2014.

Religious and Cultural Dialogue Meeting was opened by the Rector of the University of Atma Jaya Yogyakarta Dr. R Maryatmo , MA . Speakers from various religious backgrounds , cultures , and practitioners in the field of law and culture , among others, KH . Abdul Muhaimin , Pastor Bambang Subagyo , Ir . Jacky Latupeirissa , MA , Mr. Jeremiah Lemek , SH , Mr. Bugis Suwanto of artist and " The Javanese Culture & Spirituality " , Isaac Octavianus of the Community of Sant'Egidio , and Mr. Arnold Mau, SH , as moderator .

This year the Community of Sant'Egidio in Yogyakarta , using the theme of Prayer and Peace Dialogue Community of Sant'Egidio in Antwerp , Belgium that is, " Peace is the Future " . With the emphasis on actual issues that have relevance to the life of the city of Yogyakarta tolerance as " Our Home " .

KH . Abdul Muhaimin representing Muslims in Yogyakarta gives an example of historical existence , which is represented in the lives of religious tolerance in Java , which consists of Muslims , Hindus , Buddhists , and this can be seen in the building " the Great Mosque of Kota Gede Mataram " . The mosque is a symbol of tolerance , the goal is to open up the adaptation process that runs in the peace negotiations . Keep in mind , Kota Gede

Mosque was built by Hindus and

Buddhists not Muslims alone and has a blend of unique architecture . This fact should be kept and maintained in order to Yogyakarta that was once known as the city that is famous for its harmony and tolerance can become our city and our homes .

While pastor of the Christian church , Bambang Subagyo talk about the cause of the birth of a conflict . He stressed that the mass media and entertainment featuring the conflict in priority over novelty.

It should be emphasized the development pattern for motivated people in the spiritual . This was done to eliminate the fear sinkritis , and build awareness of the plurality of compound , and dispilin to develop spirituality and struggle to live and appreciate the meaning of life .

The meeting also sought to hear from a legal standpoint and social efforts to create peace in the community . Mr. Jeremiah Lemek , Bachelor of Law , an expert in Indonesian law says that , " If you want to create peace did according good for others , and do not commit acts that violate the law , so that peace will always be felt . It added , need " Mental Revolution " on all existing legal apparatus .

At a meeting of the Community of Sant'Egidio is represented by those responsible for the city of Yogyakarta , Isaac Octavianus , offering peace to every man and woman . It was explained that the Community of Sant'Egidio has started to move as a peacemaker by building Youth Peace movement . The hope is that the young men involved in this community can bring peace to the

values in their respective activity or as an agent of peace . For Community coexistence and peace , must walk in the culture of dialogue . Diaolog divided into two namely , verbal dialogue and the dialogue in the work , not just talk , but we are also able to dialogue through our work together , then it can all go synergies .

This dialog is closed with a message from KH . Abdul Muhaimin , who hopes there other peaceful dialogues to be made by the Community of Sant'Egidio , but not only in certain circles , but also in society in general , so that the dialogue that occurred more populist and not monopolized by intellectuals alone .

Pray For Peace is a Concrete Sign

This event does not stop at the conclusion of discussions and ideas that have been submitted . After signing and reading Peace Treaty , the Community of Sant'Egidio invited the audience to pray together for world peace , and violence that took place today .

Praying is a sign that the presence of violence and war in the world today , we do not want to despair , give up , and do not care . Prayer and Dialogue is a way of Sant'Egidio against all forms of destructive divisions of humanity and peace

Praying beside the other one does not erase differences , but showed a deep , making all of us, men and women who are humble , who are seeking to understand the peace that only God can give "

St. John Paul II
